

Agricultural Skills Career Development Event
Washington FFA Association

The purpose of the Agricultural Skills Career Development Event is to provide students with opportunities to develop and exhibit skills in an agricultural career. This will occur through planning, practicing, and demonstrating their skill in a specific area of agriculture. Participation in this Career Development Event requires students to have an Individualized Education Plan (IEP) in place before participation in this event. This contest requires permission and signatures from all of the following in order to verify qualification: FFA Advisor, Parent/Guardian, SPED Case Worker, and Principal/CTE Director. All IEP modifications and accommodations will be honored throughout this event.

By signing here, you verify that this student is qualified for this event at the Washington FFA State Convention in May 2022. This information is confidential.
