Kassidy Wilfong of Pateros FFA is Announced As Newly Elected Washington FFA State Sentinel

Pullman, WA; Being announced as both Washington FFA Star Farmer and being elected as Washington FFA State Sentinel, May 11 proved to be a successful night for Kassidy Wilfong.

Originally from the Pateros FFA Chapter, Wilfong not only represented her chapter and district during the fourth session of the 94th Washington FFA State Convention and Expo, but she was also deemed as a state representative. While she will continue carrying this mark throughout her term of service, this session will always leave a mark on her.

She said, “I would have to say that my favorite FFA memory is actually from last night [May 11, 2024]. Not only being able to win state farmer, and stand on stage with four amazing individuals. But to be able to see the people in the stands, see my friends, see my family, and then see all the people that have come before us.”

These are some of the people who Wilfong will be impacting during her year of service. She said as she’s walking into this year she’s most excited to see all of our members, travel across Washington, and get to experience new chapters.

When she was asked what she wants Washington FFA Members to know she said, “You are wanted and you are in our organization for a reason. You are welcome here, and it is our job to help you.”

Wilfong will have the opportunity to continue impacting our members during chapter visits, leadership events, and other diverse Washington FFA events throughout the year. We are excited to see how Wilfong takes these opportunities and capitalizes on them. We are confident in her ability to lead our association with grace and dignity.

Congratulations Kassidy Wilfong and good luck in your year of service.
