## Washington FFA Recognizes State Winning Individuals and Teams for Excellence in Career Development Events

**Pullman, WA;** 120 teams were recognized for their knowledge and expertise in diversified careers during Session One of the 2024 Washington FFA State Convention and Expo. The teams recognized competed in Career Development Events (CDE's) throughout the state of Washington during the 2023-2024 school year.

CDE's held prior to convention this year included: Agricultural Technology and Mechanical Systems, Agronomy, Apple Evaluation, Dairy Cattle Evaluation, Environmental & Natural Resources, Floriculture, Forestry, Horse Evaluation, Livestock Evaluation, Nursery/Landscape, Potato Evaluation, Rangeland Evaluation, Soils and Land Evaluation, Tractor Driving, and Poultry Evaluation. State winning teams included: Stanwood, Lind-Ritzville, Prosser, Cashmere, Richland, Mount Baker, Enumclaw, Reardan, Cedarcrest, Cheney, Omak, Lynden Christian, and Elma.

Washington FFA extends our greatest appreciation to Papé, Wilbur Ellis, Valley Wide Cooperative, Natural Resources Conservation Service, Washington State Department of Agriculture, John Deere, Washington State Potato Commission, RDO Equipment Co., and Oakdell Egg Farms for their gracious sponsorship of these events.

State winning teams for Agricultural Technology and Mechanical Systems, Agronomy, Dairy Cattle Evaluation, Environmental & Natural Resources, Floriculture, Forestry, Horse Evaluation, Livestock Evaluation, Nursery/Landscape, and Poultry Evaluation qualified to compete at the national level.
